Meet Dr. Wendy Treynor, teacher of self-love and happiness expert. She's been depressed, suicidal, jobless, divorced, a cancer survivor, & now she's HAPPY with a revolutionary, new theory on HAPPINESS. Dr. Wendy is also a Ph.D. Psychologist and author of *The Gift of Cancer* who has studied emotion and depression, so she integrates science and spirit, her research and life experience, to help us appreciate our life even if everything we thought would be is not. With warmth and humor, as both storyteller and scholar, Dr. Wendy inspires us to overcome perceived obstacles, live up to our true potential, and access the joy that is ours.

PROVEN TO INCREASE LOVE OF LIFE:

A March 2010 study sponsored by *The Lloyd Symington Foundation* showed that hearing Wendy's "A Treasure Map to Happiness" leads to increased love of life.
