

# HOW TO BREAK FREE FROM THE HERD

*Dr. Wendy Treynor* blends her unique experience, as entrepreneur who worked in Corporate America at Fortune 500 Company, and expertise, with PhD from #1 Social Psychology program in her field (U. Michigan, US News & World Report, 2017), to deliver top results. As an enlightened expert on social influence and happiness, *Dr. Treynor* speaks on self-empowerment and happiness, to enhance your group's engagement, productivity, creativity, leadership, sales, performance, and your bottom line. Her work has been featured in Psychology Today, Success Magazine and on CBS-TV in the United States. In addition to being an author, coach, speaker, scientist, and storyteller, she is a cancer survivor and thriver who has presented worldwide for over 10 years, most recently in the U.S. at Google.

Daring to leave the known, working at a Fortune 500 Company at age 21 to follow her heart, *Wendy Treynor* moved herself from toxic workplace as depression and bullying victim to successful entrepreneur and enlightened happiness and self-empowerment expert. She risked it all because she had faith that the rewards would be great, and today she is CEO (Chief Enlightenment Officer) of Healing Consulting. On her journey, she discovered inner wealth and now shares the keys to authentic success in her riveting and captivating story of soul impoverishment to true riches, blending universal wisdom with social science.
