

Dr. Wendy Treynor, Ph.D. | Social Psychologist | Science & Spirit Thought Leader  
| [ICanHeal.com](http://ICanHeal.com) | Bridging Science & Spirit to Transform Suffering into  
Love, Clarity & Human Flourishing

## Overview

Dr. Wendy Treynor is a Ph.D. social psychologist whose 30-year work maps the social origins of human suffering and identifies a universal “basic state” of love and truth. She empowers audiences to understand the forces behind burnout, conflict, prejudice, and conformity—and offers practical pathways to restore clarity, cooperation, and authentic well-being. Her work is endorsed by Adam Grant & Dacher Keltner, and lauded by the late Aaron Beck.

## Keynotes

1. Breaking Free from the Herd: The scientific framework behind conformity, misery, awakening & human flourishing
2. Happiness & Social Influence in the Workplace: The social psychology of good, evil, & ethical leadership
3. How to be Happy: Understanding the link between happiness & social influence
4. Don't Believe Everything You Think: Ten illusions that prevent us from finding true happiness
5. A Treasure Map to Happiness: Turn your tragedy into a treasure
6. Healing the Social Self: Where science meets spirit for personal & collective thriving
7. The Science of the Sacred: Why humans suffer & how to restore love & truth
